

User Manual for New Merchandise (Trading)
Vendor onboarding through
Supplier Registration Portal

Table of Contents

Step 1: Visit Portal Page.....	1
Step 2: Supplier PAN details.....	1
Step 3: Office Address Details	4
Step 4: Contact Details.....	5
Step 5: Select Product category and Format	6
Step 6: Accept Terms and condition	7
Step 7: Request ID Generation.....	8

Step 1: Visit Portal Page

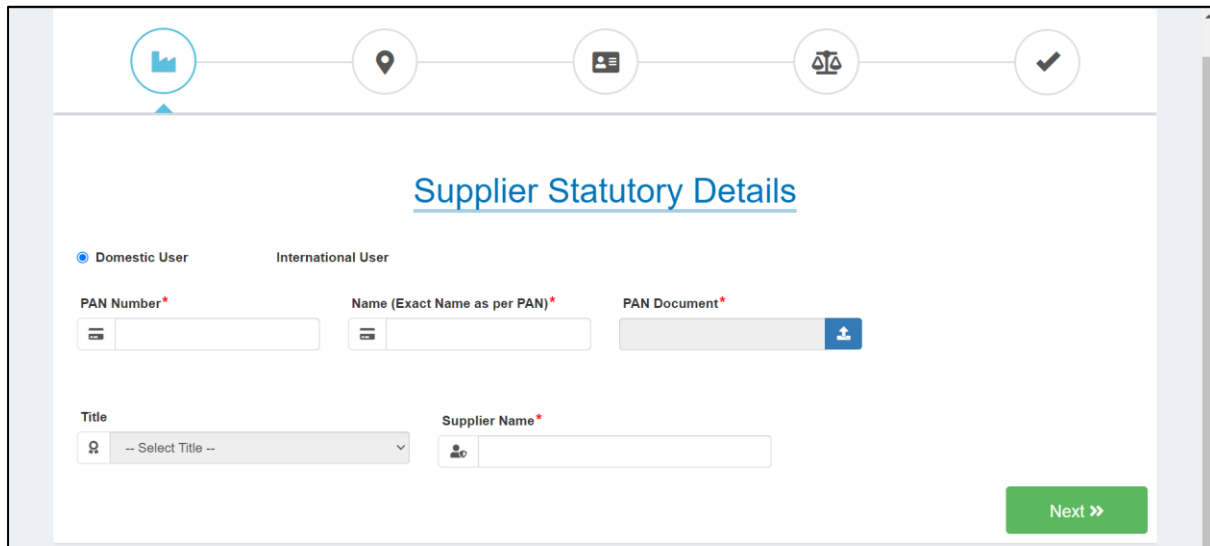

1.1. Visit the portal page using link - <https://supplierregistration.ril.com/>

1.2. On right side panel of the page click on new supplier registration button as shown in above screenshot.

Step 2: Supplier PAN details

2.1. In following page, fill all the basic details and upload the copy of PAN.

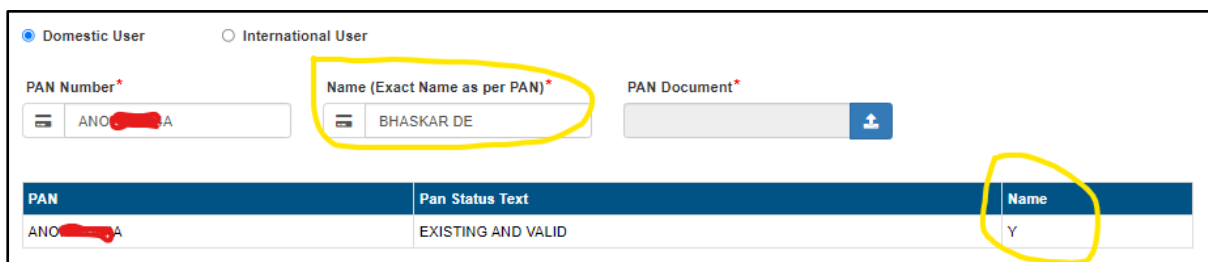

2.2. PAN should be valid and should be in following validation.

1	Should be of 10 characters long
2	Initial 5 characters should be alphabets
3	4 th character should be in [C P H F A T B L J G]
4	6 th to 9 th characters should be numeric
5	Last character should be alphabet

2.3. Title filed value will be automatically taken from the fourth character of PAN. Please ensure that the Title field is populated with the value. If not remove the PAN and retype the PAN.

C - stands for Company
P - stands for Individual
H - stands for Hindu Undivided Family (HUF)
F - stands for Firm or Limited Liability Partnership
A - stands for Association of Persons (AOP)
T - stands for Trust
B - stands for Body of Individuals (BOI)
L - stands for Local Authority
J - stands for Artificial Juridical Person
G - stands for Government Agency

Please declare the PAN name exactly as per PAN and ensure that “Y” flag is displayed in validation of PAN name.

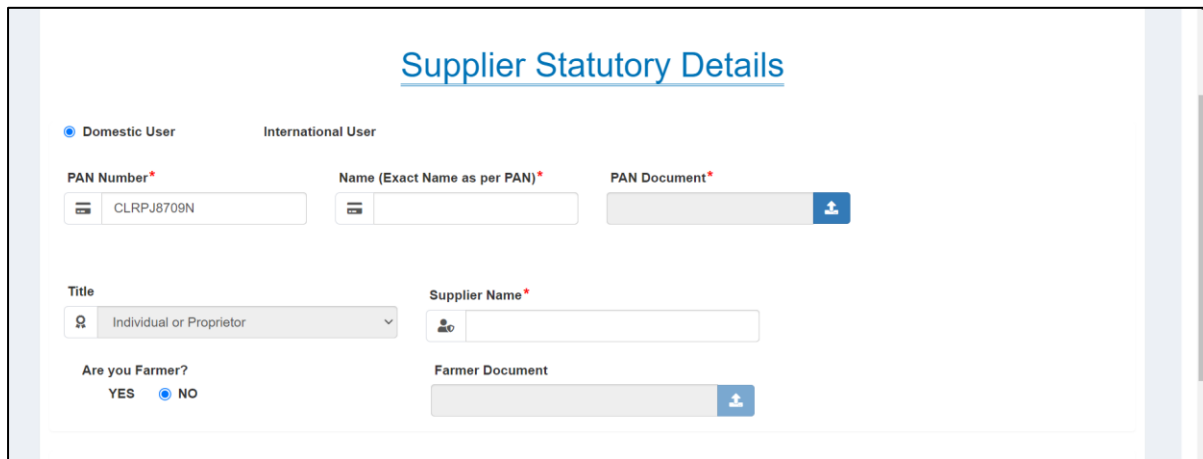

The screenshot shows a web form for PAN registration. At the top, there are radio buttons for 'Domestic User' (selected) and 'International User'. Below this, there are three input fields: 'PAN Number*' (containing 'ANO...A'), 'Name (Exact Name as per PAN)*' (containing 'BHASKAR DE'), and 'PAN Document*' (with an upload icon). Below these fields is a table with three columns: 'PAN', 'Pan Status Text', and 'Name'. The 'PAN' column contains 'ANO...A', the 'Pan Status Text' column contains 'EXISTING AND VALID', and the 'Name' column contains 'Y'. The 'Name' field in the table is highlighted with a yellow circle.

2.4. PAN Document – Upload the scanned copy/E-Pan File of Vendor’s PAN in pdf or jpg format.

2.5. Proof of Proprietorship – In case of Proprietorship Firm, wherein 4th Character of PAN is “P”, and Vendor name/Bank account name is not the Proprietor’s name, Proof of proprietorship document should be merged with copy of PAN and to be uploaded in PAN document section. List of allowed supporting documents towards Proof of Proprietorship are hereunder:

1. Shop & establishment certificate
2. Confirmation letter from schedule Bank that Sh.... Is proprietor of M/s As per their record. (RTGS mandate form is not valid here as Banks validate only signature and account no. and do not give confirmation of other details)
3. Service tax registration certificate
4. IEC (Import export certificate) certificate
5. Trade License
6. Any other certificate issued by any Govt./Local authority showing name of both firm and proprietor
7. UDYAM Reg. certificate
8. GST Certificate

2.6.If the supplier is Farmer then click on yes button, else click on No. Attach supporting document to establish as Farmer

Validity Year TO

MSME Certification

Next >>

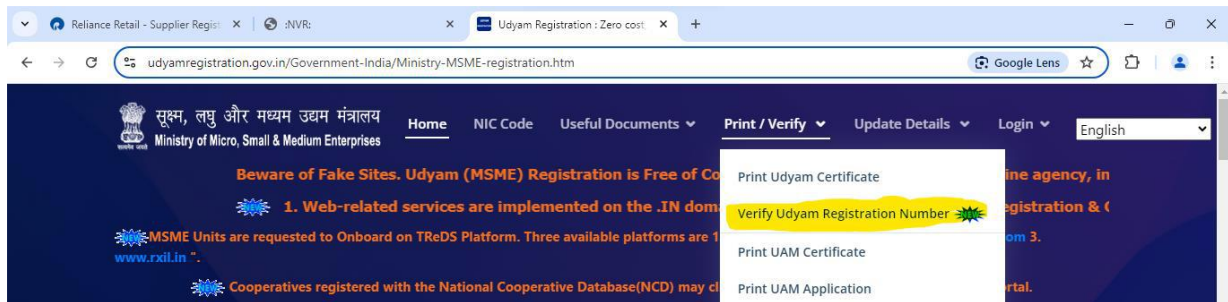

2.8.Validation rules for UDYAM (MSME) number.

Should be 19 characters long
Format to input as “UDYAM-XX-XX-XXXXXXX”
Initial 5 characters should be UDYAM
Next two characters are exactly 2 alphabetic letters (A-Z) represent state.
Next two characters are exactly 2 numeric digits (0-9) which represent district code within the state
Next seven characters are exactly 7 numeric digits (0-9) unique code assigned to enterprise
Each part should be separated by hyphen (-)

2.9. Refer UDYAM (MSME) certificate “Date of UDYAM registration” section and select correct date from the calendar option in “Date of issue” field

2.10. Validity Year - refer latest classification date in Enterprise Type of UDYAM certificate and add correct year from the calendar in “From” field”. In “to” field mention as “9999”.

You may check the current status of UDYAM number from the portal through below menu option in following link https://udyamregistration.gov.in/Udyam_Verify.aspx

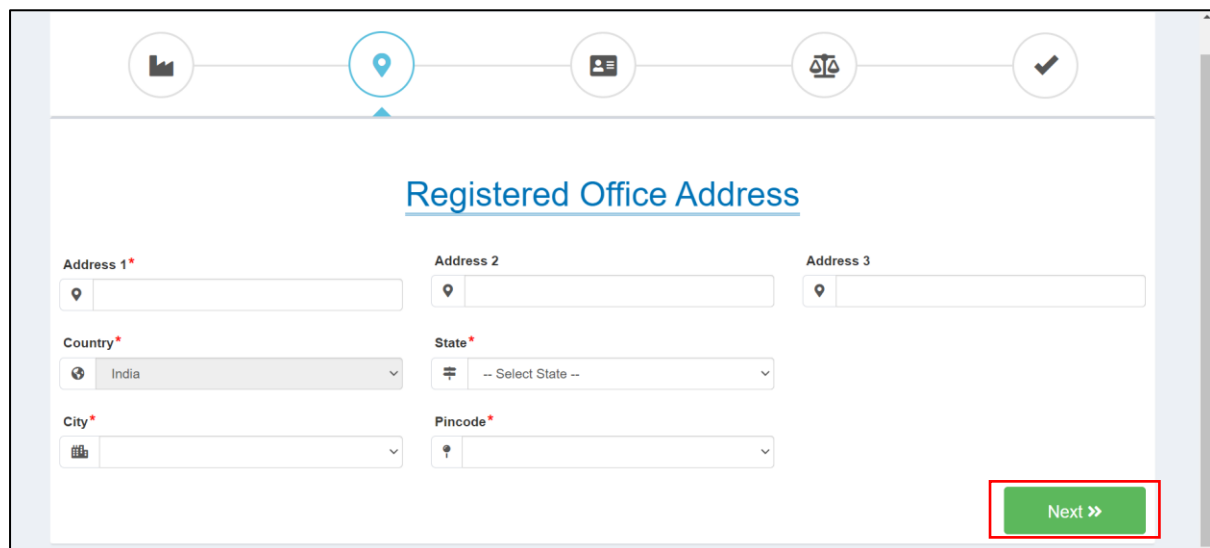

Enterprise Type			
SNo.	Classification Year	Enterprise Type	Classification Date
1	2024-25	Small	27/04/2024
2	2023-24	Small	09/05/2023
3	2022-23	Small	26/06/2022
4	2021-22	Small	16/05/2021

- 2.11. Upload the scanned copy of UDYAM (MSME) certificate in pdf or jpg.
- 2.12. Once all the details are filled, click on next button.

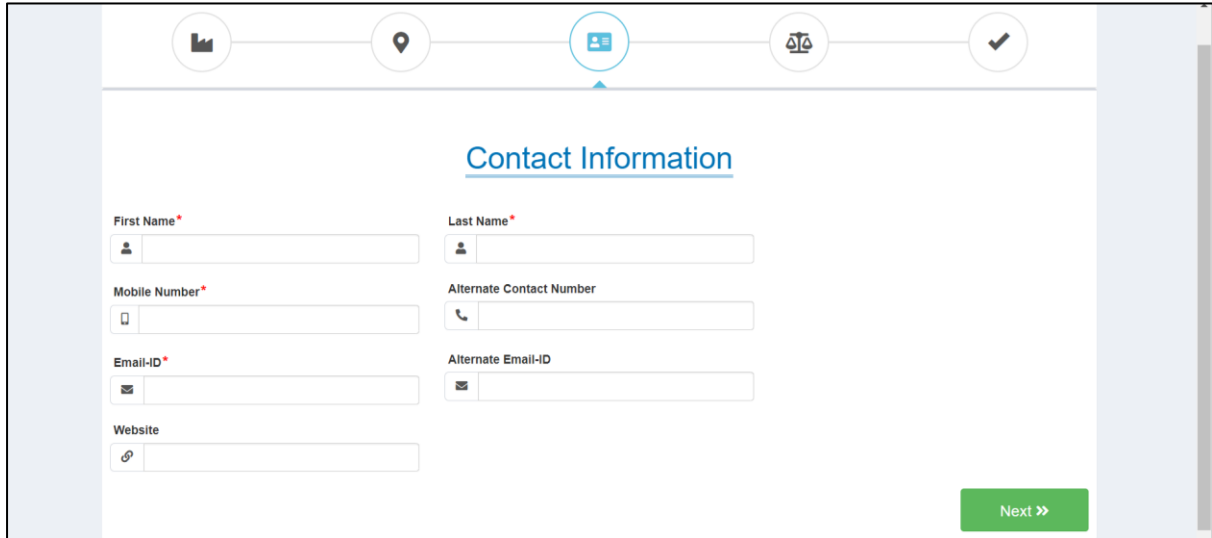

Step 3: Office Address Details

- 3.1. Fill the details related to Supplier Address (Registered Office Address) and click on next button.

Step 4: Contact Details

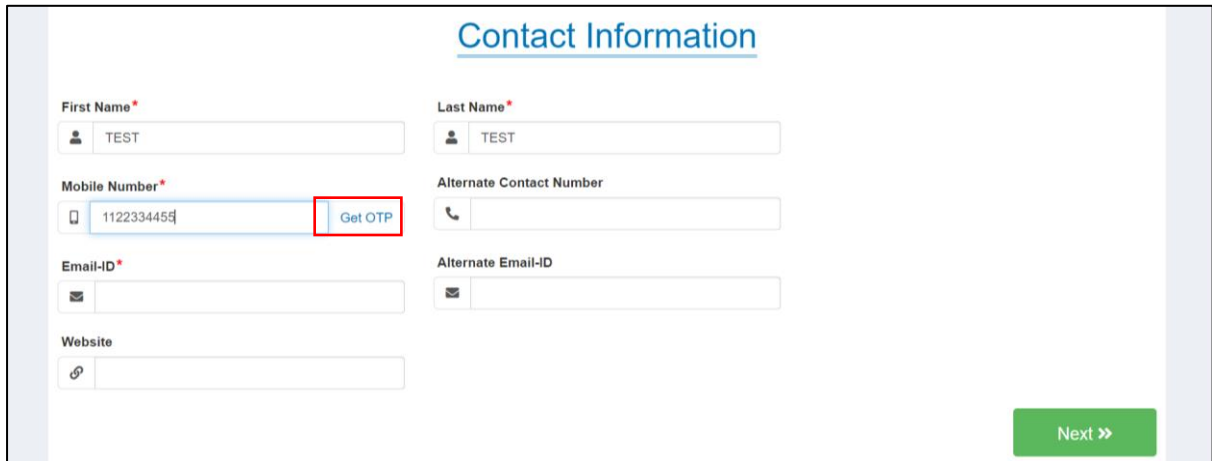

4.1. In this section supplier needs to provide contact information detail as shown

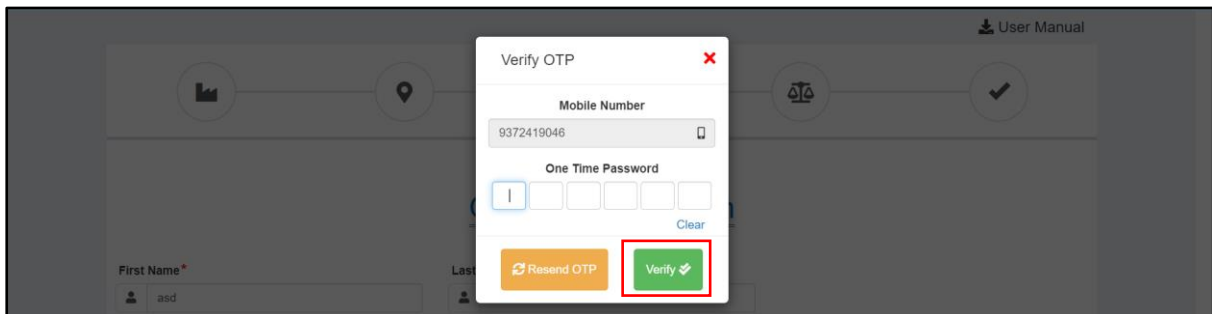

The screenshot shows the 'Contact Information' form in the registration portal. At the top, there is a progress bar with five icons: a factory, a location pin, a person with a checkmark (highlighted), a balance scale, and a checkmark. The form fields are arranged in two columns. The first column contains 'First Name*', 'Mobile Number*', 'Email-ID*', and 'Website'. The second column contains 'Last Name*', 'Alternate Contact Number', and 'Alternate Email-ID'. Each field has a corresponding icon (person, phone, email, link). A green 'Next >>' button is located at the bottom right of the form.

4.2 User needs to verify the mobile number by an OTP verification, for that enter mobile number and click on Get OTP button as shown.

Note: Reliance employee's contact details are prohibited

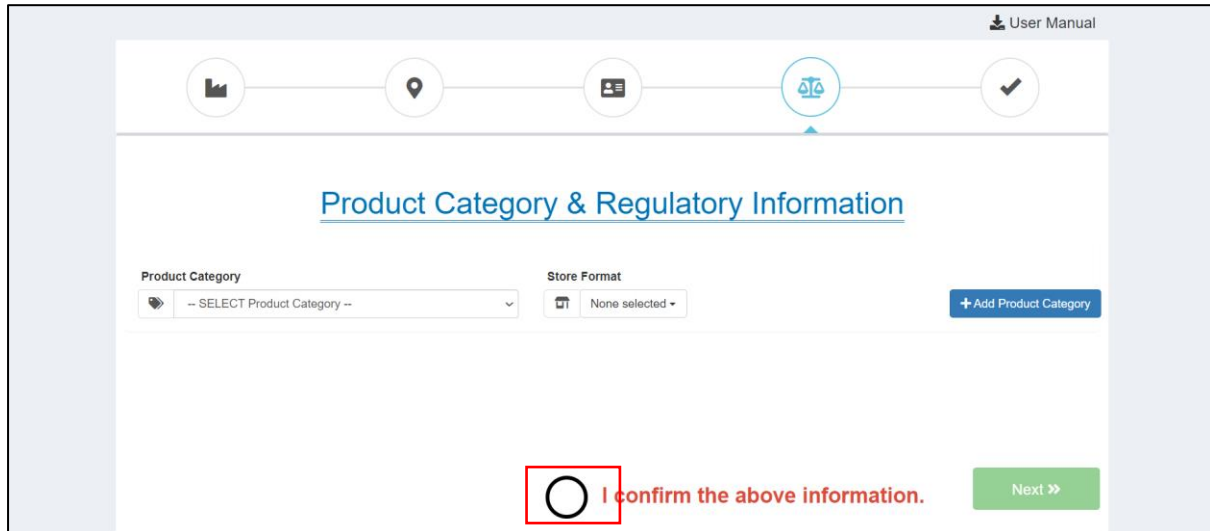

This screenshot shows the 'Contact Information' form with the 'Mobile Number' field filled with '1122334455'. A red box highlights the 'Get OTP' button next to the mobile number field. The 'Next >>' button is visible at the bottom right.

The screenshot shows a 'Verify OTP' modal dialog box. It has a title bar with a close button (X). The 'Mobile Number' field is pre-filled with '9372419046'. Below it, the 'One Time Password' field is shown with six input boxes, the first of which contains the digit '1'. There is a 'Clear' link next to the password field. At the bottom, there are two buttons: 'Resend OTP' (orange) and 'Verify' (green with a checkmark icon, highlighted with a red box).

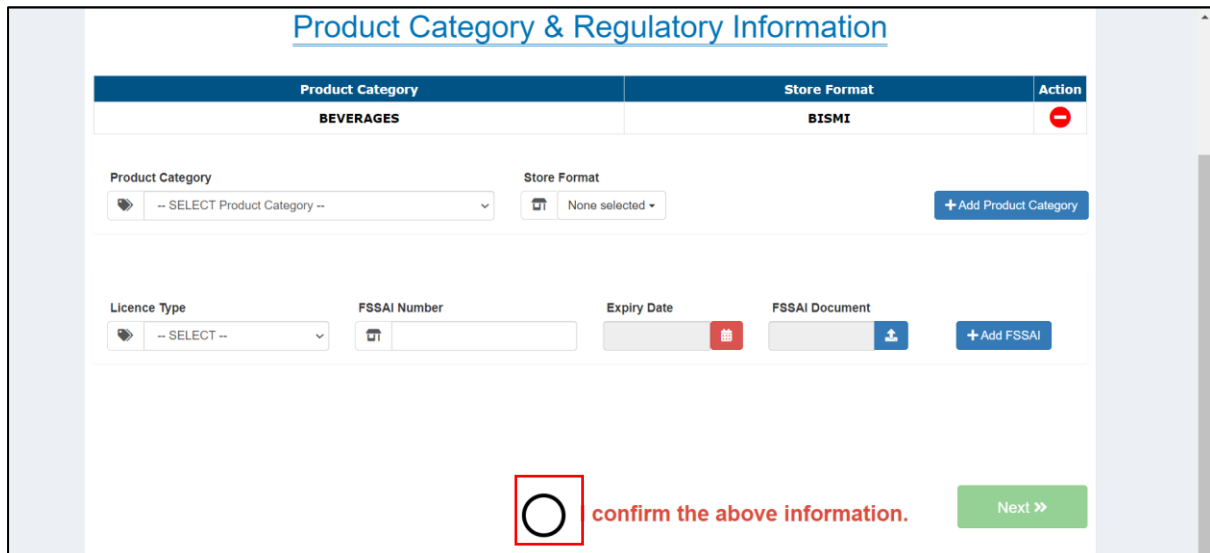

Step 5: Select Product category and Format

5.1. Select the appropriate category and format in this section. Seek guidance from Reliance Buyer with whom you are coordinating to choose the correct option.

5.2. Once category and format selected click on Add Product category button on the right side (suppliers are allowed to choose more than one category and format).

5.3. The system will ask for FSSAI Details if applicable, as shown in below screenshot. Supplier can add multiple FSSAI License details.
